*Since 1870*

### CALIFORNIA FISH AND GAME COMMISSION NOTICE OF FINDINGS

#### Coast Yellow Leptosiphon (*Leptosiphon croceus*)

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2074.2 of the Fish and Game Code, the California Fish and Game Commission (Commission), at its December 8, 2016, meeting in San Diego, California, accepted for consideration the petition submitted to list coast yellow leptosiphon as an endangered species. Pursuant to subdivision (e)(2) of Section 2074.2 of the Fish and Game Code, the Commission determined that the amount of information contained in the petition, when considered in light of the Department of Fish and Wildlife's (Department) written report, the comments received, and the remainder of the administrative record, would lead a reasonable person to conclude there is a substantial possibility the requested listing could occur.

Based on that finding and the acceptance of the petition, the Commission is also providing notice that the aforementioned species is a candidate species as defined by Section 2068 of the Fish and Game Code.

Within one year of the date of publication of this notice of findings, the Department shall submit a written report, pursuant to Section 2074.6 of the Fish and Game Code, indicating whether the petitioned action is warranted. Copies of the petition, as well as minutes of the December 8, 2016 Commission meeting, are on file and available for public review from the agency representative, Valerie Termini, Executive Director, Fish and Game Commission, 1416 Ninth Street, Room 1320, Sacramento, California 95814, phone (916) 653-4899. Written comments or data related to the petitioned action should be directed to the Commission at the aforementioned address.

Fish and Game Commission

December 13, 2016

Valerie Termini  
Executive Director
