Subject: Please Increase Wildlife Hunting Contests & Elk Tags
Date: Saturday, February 15, 2014 6:40:34 PM

Feb 15, 2014

California Fish and Game Commission

Dear and Game Commission,

Thank you for allowing killing contests, such as the annual "Coyote Drive" in Modoc County. This is an effective management style, which consider the destruction that too many predators play in the ecosystem and livestock depredation.

Please consider selling more elk tags as they too are grossly overpopulated in Siskiyou County.

Keep up the good work!

KD

Sincerely,

Kerry Keely
