SPEAKING AT THE MEETING

Committee meetings operate informally and provide opportunity for everyone to provide comment on agenda items. If you wish to speak on an agenda item, please follow these guidelines:

1. Raise your hand and wait to be recognized by the Committee.
2. Once recognized, please begin by giving your name and affiliation (if any) and the number of people you represent.
3. Time is limited; please keep your comments precise so that everyone has an opportunity to speak.
4. If there are several speakers with the same concerns, please try to appoint a spokesperson and avoid repetitive comments.
5. If you would like to present handouts or written materials to the Committee, please provide five

copies to the designated staff member just prior to speaking.

6. If speaking during public comment, the subject matter you present should not be related to any item on the current agenda (public comment on agenda items will be taken at the time the Committee members discuss that item). As a general rule, public comment is an opportunity to bring matters to the attention of the Committee, but you may also do so via email, standard mail, and fax. At the discretion of the Committee, staff may be requested to follow up on the subject you raise.

WHEN WILL MY AGENDA ITEM BE HEARD?

The Committee begins each session at the time listed on the agenda and generally considers each agenda item in the sequence listed, except in extraordinary circumstances.

All PowerPoint presentations must be submitted by the written materials deadline (September 5, 2014) and approved by the Commission Executive Director before the meeting.

1. All electronic formats must be Windows PC compatible.
2. Files created on a Mac are not supported.
3. It is recommended that a print copy of any electronic presentation be submitted in case of technical difficulties.
4. A data projector, laptop and presentation mouse will be available.

LASER POINTERS may only be used by a speaker during a presentation.
