Subject: Fish and Game violations on the Pine Ranch PLM

Dear Mr. Pine,

The Department of Fish and Game has been notified of violations that occurred on Pine Ranch during the opening weekend of the A zone in 2009. Two individuals were given citations, one for being in possession of two out of season valley quail and the other for being in possession of an un-tagged deer. The warden also reported that 3 or 4 individuals were hunting on the ranch using A zone deer tags which is in violation of the PLM agreement.

Due to these violations, the Department of Fish and Game is placing the Pine Ranch PLM on probation for a one year period. During this period, any additional violations of PLM regulations and/or policies may result in reduced tag authorization or a Department recommendation to revoke the PLM license. Title 14, CCR, Section 601 describes the requirements and provisions of the PLM Program.

If you need any other information please contact Victoria Barr at 916-445-4034 or vbarr@dfg.ca.gov.

Sincerely,

Craig Stowers
