Subject: Pine Ranch PLM Tag Revocation

The North Central Region (NCR) has been notified of violations that occurred in Yolo County on the Pine Ranch PLM on August 23, 2013 (Attachment 1). Four individuals were stopped by Wildlife Officers and cited for spotlighting (Fish and Game Code 2005b). Each suspect was carrying a loaded weapon capable of killing big game. This is the second violation on the ranch in three years. The prior citation took place in 2009 (Attachment 2). Both violations have resulted in citations for the Pine Ranch owner's son, Matthew Pine, who has been on yearly site visits and is aware of the PLM Regulations.

Due to these violations, the NCR would like to revoke the Pine Ranch PLM's 2013 license and remaining deer tags for the 2013 PLM season (Title 14, Division 1, Subdivision 2, Chapter 9, 601(e)(2)).

If you need further information please contact State PLM Coordinator, Ms. Victoria Barr at 916-445-4034 or NCR PLM coordinator Joshua Bush at 916-374-9137.
