RE: Listing the Gray Wolf on the California Endangered Species Act

Dear Mr. Sutton:

The Del Norte County Farm Bureau is writing to ask the Commission to vote NO on listing the Gray wolf on the California Endangered Species Act.

Listing of the Gray wolf will cause real harm to farmers and ranchers who raise livestock through killings of livestock and reduced weight gains with very limited resources to protect our livestock.

The Del Norte County Farm Bureau supports wolf management thought the Department's Wolf Management Plan.

Thank you,

Rob Miller
President
