Couple things I'd like the commission to consider :

1 - Change some of the deer regulations to only allow the harvesting of 3 point or better bucks. This used to be in place in some of the X zones when I was younger. I'd like to see some of those smaller bucks get a little bigger. I'd like to see this put in place in C4 since that is the zone I mainly hunt (A1 actually) but I think most zones could use a change like this.

2 - Do not allow bear hunting during rifle deer season. I know that there is a lot of party hunting going on where people are not able to get a C Deer tag but get bear tag so they can carry a gun and party hunt. This would make it a lot easier for the warders to police valid deer hunters and save a lot of deer that get taken because of party hunting..

My 2 cents.
