

State of California  
Department of Fish and Wildlife

## Memorandum

Date: February 24, 2015

To: Sonke Mastrup  
Executive Director  
Fish and Game Commission

From: Craig Shuman   
Regional Manager  
Marine Region

**Subject: Material for the March 4 Marine Resources Committee (MRC) Briefing Binder**

Please find the attached updated Lobster Fishery Management Plan timeline and summaries of commercial and recreational regulatory changes that were developed under the Lobster Advisory Committee process. Department staff will discuss these materials under the Lobster FMP agenda item at the March 4, 2015 MRC meeting.

In addition, please find the attached PDF of the Lobster Fishery Management Plan Preliminary Draft. This document has been released to the public during the scientific peer review as a courtesy to constituents. Public feedback is not being solicited on the preliminary draft, as sections of the FMP could be revised as a result of the scientific peer review.
