

STAFF ANALYSIS FOR FEBRUARY 10, 2016

5. COMMITTEE ASSIGNMENTS**Today's Item**Information Action

Consider and make FGC committee assignments.

Summary of Previous Assignments (August 2015)

- Marine Resources Committee (MRC) co-chairs Sklar and Williams
- Wildlife Resources Committee (WRC) co-chairs Kellogg and Baylis
- Tribal Committee (TC) chair Hostler-Carmesin

Background

Each committee meets three times per year. MRC is charged with providing recommendations to FGC regarding marine issues directed to it by FGC; WRC is similarly charged related to non-marine issues. TC provides recommendations relative to matters associated with California's Native American tribes and tribal communities. Current assignments were made in August of 2015 due to vacancies resulting from departing Commissioners and new Commissioners being appointed.

No more than two commissioners may co-chair each committee.

Significant Public Comments (NA)**Staff Recommendation**

Consideration should be given to whom to assign each committee given that current FGC membership is reduced to three active Commissioners and two vacancies. When the membership of FGC changes, committee assignments should be revisited.
