## Fish and Game Commission

*Wildlife Heritage and Conservation*  
*Since 1870*

June 16, 2016

### June Meeting Notice

Fish and Game Commission staff will request that the Commission continue the hearing on Item 27, the potential listing of northern spotted owl (*Strix occidentalis caurina*) as a threatened or endangered species.

If this request is approved, the Commission would not make a final determination on listing status until the August 24-25 meeting, which will be located in Folsom. Further notice of such a continuation would be provided pursuant to the provisions of Fish and Game Code Section 2078.
