FOR IMMEDIATE RELEASE

FISH AND GAME COMMISSION MEETING RESCHEDULED

SACRAMENTO - The Fish and Game Commission has rescheduled its Aug. 5, 2010 teleconference meeting to Aug. 18, 2010. Items originally scheduled for the Aug. 5 meeting will be held over until Aug. 18. The agenda for the Aug. 18 teleconference meeting will be available by Aug. 6.

The Commission will consider adoption of regulations concerning upland game bird hunting, waterfowl hunting and lobster sport fishing. In addition, the Commission is expected to authorize its staff to publish notice of its intent to consider changes to the sport and commercial groundfish fishing regulations, approve private lands habitat management plans and licenses, extend a state water bottoms lease, change the location of a future meeting and receive reports from the Department of Fish and Game.
