

Proposed Regulatory Language

RECOMMENDED OPTION: Do not adopt Section 507.2, Title 14, CCR

OPTION 1: Section 507.2, Title 14, CCR is added as follows:

507.2. Requirement for non-lead ammunition for taking migratory upland game birds specified in Section 3683 of the Fish and Game Code within the range of the California condor. Within the area described in Section 3004.5 of the Fish and Game Code, it is unlawful to use or possess any projectile (as defined by Section 353(a), Title 14, CCR) containing lead in excess of one percent by weight, and a firearm capable of firing the projectile, while taking or attempting to take migratory upland game birds specified in Section 3683 of the Fish and Game Code. The possession of a projectile containing lead in excess of one percent by weight without possessing a firearm capable of firing the projectile is not a violation of this section.

NOTE: Authority: Sections 355, Fish and Game Code. Reference: Sections 355, 2055, 3004.5, and 3683, Fish and Game Code.
