Subsection (a) of Section 8.00, Title 14, CCR, is amended as follows:

§8.00. Low-Flow Restrictions.

(a) Eel River, Mad River, Mattole River, Redwood Creek, Smith River and Van Duzen River. Stream closures: Special Low Flow Conditions. From September 1 for the Mad River only and October 1 for all other streams through ~~January 31~~ ~~April 30~~ January 31, any of the stream reaches listed in subsection (1) through (7) below shall be closed to all angling on Tuesday and Wednesday when the department determines that the flow on the previous Monday at any of the designated gauging stations is less than the minimum flows set forth in subsections (1) through (7); any of the stream reaches listed in subsections (1) through (7) below shall be closed to all angling on Thursday and Friday when the department determines that the flow on the previous Wednesday at any of the designated gauging stations is less than the minimum flows set forth in subsections (1) through (7); any of the stream reaches listed in subsections (1) through (7) below shall be closed to all angling from Saturday through Monday when the department determines that the flow on the previous Friday at any of the designated gauging stations is less than the minimum flows set forth in subsections (1) through (7). Notwithstanding this provision, the department may close or keep a stream reach closed to fishing when the minimum flow is exceeded on the scheduled flow determination day if the department is reasonably assured that the stream flow is likely to decrease below the minimum flow as specified in subsections (a)(1)-(7) of Section 8.00 before or on the next flow-determination date. In addition, the department may reopen a stream at any time during a closed period if the minimum flow as specified in subsections (a)(1)-(7) of Section 8.00 is exceeded and the department is reasonably assured that it will remain above the minimum flow until the next scheduled Monday, Wednesday, or Friday flow determination. The department shall make information available to the public by a telephone recorded message updated, as necessary, no

later than 1:00 p.m. each Monday, Wednesday, and Friday as to whether any stream will be open or closed to fishing. It shall be the responsibility of the angler to use the telephone number designated in the sport fishing regulations booklet to obtain information on the status of any stream.
