TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a continuation notice of proposed regulatory action relative to Section 662, Title 14, California Code of Regulations, relating to petitions for regulation changes.

During the regulatory process to amend the section noted above, changes were made to the originally proposed language. Because the modified proposed regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that these changes be made available to you for a 15-day written comment period. Comments on the revised proposed regulations will be accepted from February 13, 2015 through March 2, 2015.

Attached for your review is the modified proposed regulatory language, with new additions shown in double underline and deletions shown in double strike-out.

The original notice, Initial Statement of Reasons for Regulatory Action, originally proposed regulations, as well as the Pre-adoption Statement of Reasons for Regulatory Action and a summary and response to public comments received through February 11, 2015, are posted on the Commission's website at <http://www.fgc.ca.gov/regulations/2014/index.aspx#662>

Written comments on the modified proposed regulations must be received in the Commission office by 5:00 p.m. on March 2, 2015.

Sincerely,

Sherrie Fonbuena
Associate Governmental Program Analyst
