TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a continuation notice of proposed regulatory action relative to Section 662, Title 14, California Code of Regulations, relating to petitions for regulation changes.

During the regulatory process to amend the section noted above, changes were made to the originally proposed language and to the proposed form FGC1. Because the modified proposed regulations and form are different from, yet sufficiently related to, the originally proposed regulations and form, the Administrative Procedure Act requires that these changes be made available to you for a 15-day written comment period. **Written comments on the revised proposed regulations and revised proposed form will be accepted from May 20, 2015 through June 4, 2015.**

Additionally, any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in the Mountainside Conference Center, 1 Minaret Road, Mammoth Lakes, California, on Wednesday, June 10, 2015, at 8:00 a.m., or as soon thereafter as the matter may be heard.

Attached for your review is the modified proposed regulatory language, with new additions shown in highlighted double underline and proposed deletions shown in highlighted single underline single strikeout. Also attached for your review is the modified proposed form FGC1, with new additions shown in underline and deletions shown in strikeout.

The original notice, February 12, 2015 continuation notice, Initial Statement of Reasons for Regulatory Action, originally proposed regulations, February 12, 2015 revised proposed regulations, as well as the Pre-adoption Statement of Reasons for Regulatory Action and a summary and response to public comments received through February 11, 2015, are posted on the Commission's website at <http://www.fgc.ca.gov/regulations/2014/index.aspx#662>

Written comments on the modified proposed regulations must be received in the Commission office by 5:00 p.m. on June 4, 2015.

Sincerely,

Sherrie Fonbuena
Associate Governmental Program Analyst
