

Attention: Bay Shrimp Permittee

Section 190, Title 14, California Code of Regulations (CCR), Fishing Activity Records, specifies that the owner and operator of a commercial fishing vessel or the holder of a commercial fishing license or permit participating in specified fisheries shall keep and submit a complete and accurate record of fishing activities. Logbooks shall be kept on paper forms provided by the Department or on the electronic version (if available) on the Department web site at <https://apps.wildlife.ca.gov/marinelogs>. Section 119, Title 14, CCR, Trawl Nets Inside of the Golden Gate Bridge, specifies that each permittee shall complete and submit an accurate record of his fishing activities on a Bay Shrimp Log Form DFW 2025.

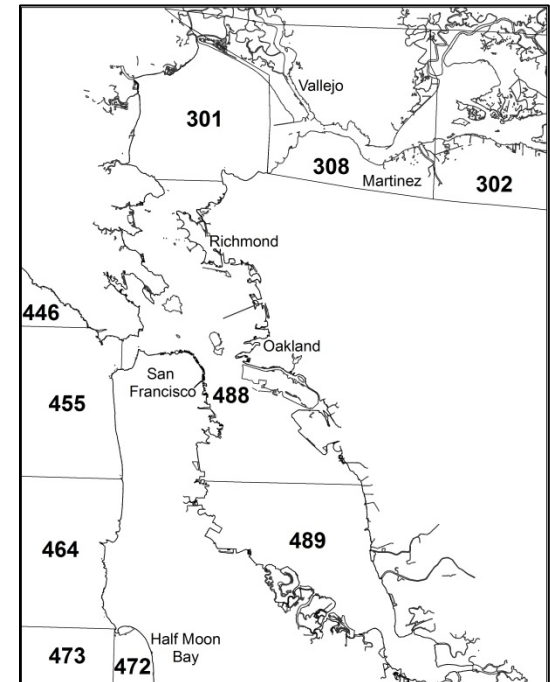

If the logbook is kept on paper it shall be delivered to the Department, or postmarked, on or before the 10th day of each month following the month to which the records pertain.

Instructions:

- 1) Bay Shrimp logbooks shall be completed immediately when any of the following first occurs:
 - prior to passengers or crew disembarking from the vessel; or
 - at the time of receipt, purchase, or transfer of fish; or
 - at the end of the calendar day (24 hour clock) during fishing activity through the night.
- 2) Complete with all available information including notes as needed.
- 3) Use the fishing block map to identify fishing location information.
- 4) Bycatch reporting (under notes) is optional but does help the Department improve data collection.
